Imad Sanouni

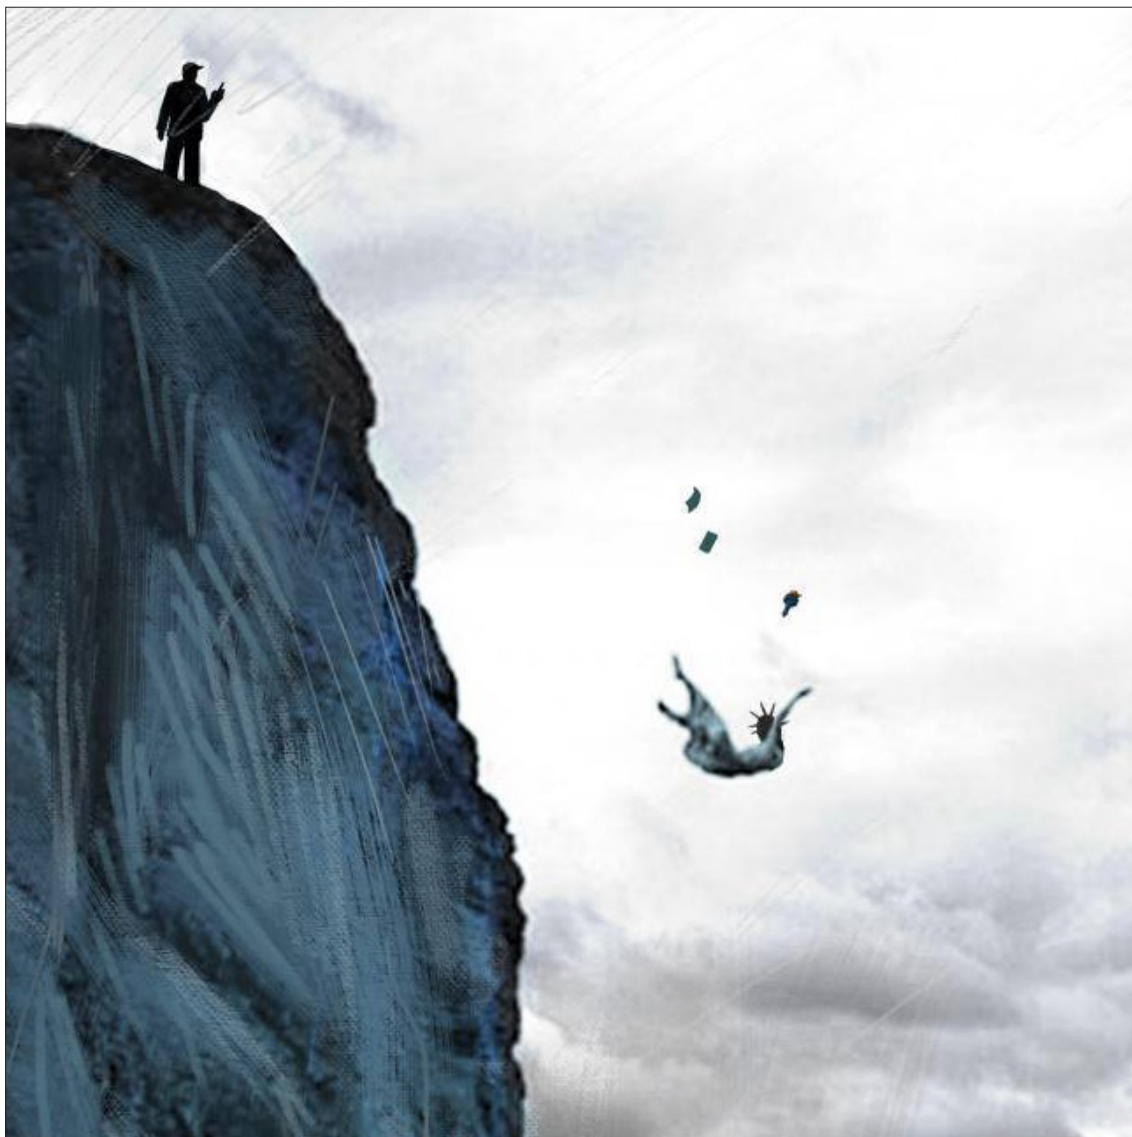

Imad Sanouni, Artist of plastic, caricaturiste and dessinateur de presse.

For Imad Sanouni, caricature is a means to fight corruption and be able to face society.

He adopted a witty style to touch on sensitive issues and controversial topics through caricature Imad was born in Casablanca on March 26, 1979.

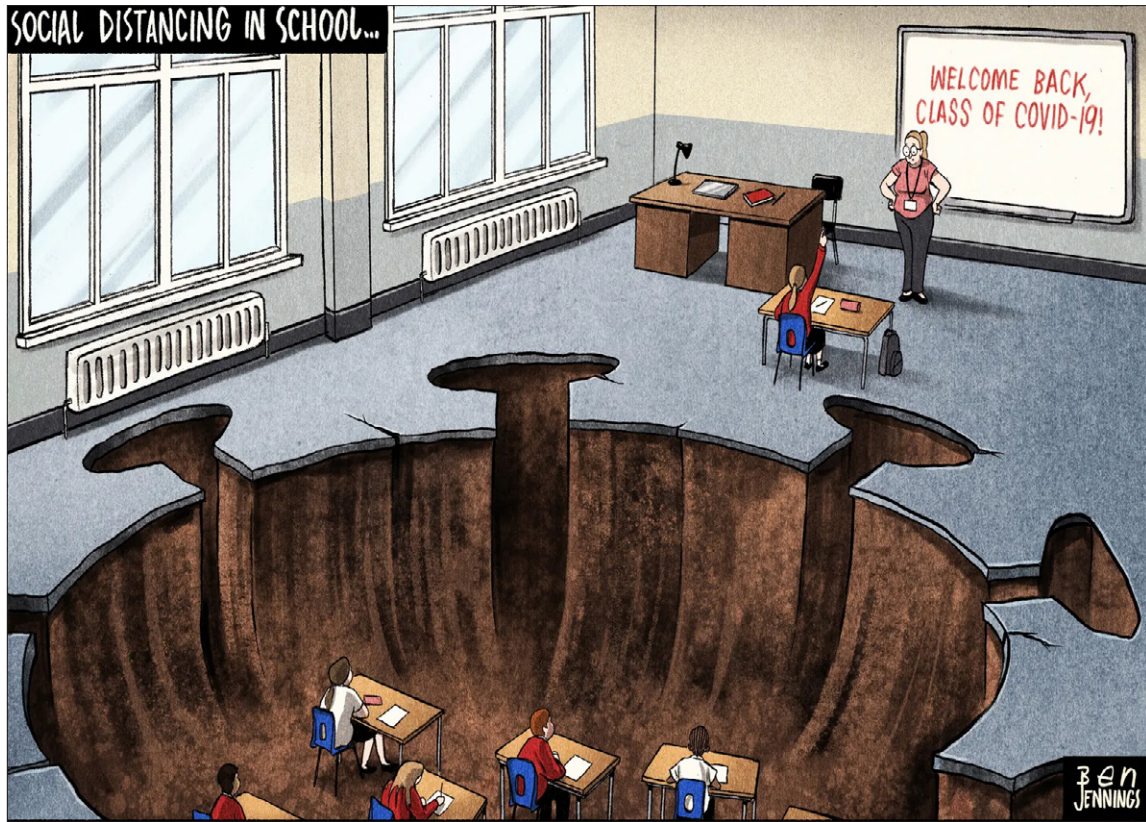

He graduated from the Higher Institute for Fine Arts and worked as a cartoonist at the Moroccan Baboubi satirical magazine where he began his professional career in caricature and cartoons.

Imagine that the February 20 Movement in Morocco has affected the progress and development of press caricature and cartoons as it provides new territory and raw material for young artists' production.
